How was your family's stay in our Villa ??

Please explain?

The location, community and the area was very good. the villa had everything that we required and was extremely comfortable. The pool area was like having another room, with the sun all day and the water warm, what more could anyone want. The only problem that we had was trying to get the kiddies out of the water on an evening, and one or two adults. Overall a really pleasant stay many thanks.
